Canvas: 22 summer and 22 fall courses in Admin view (3/20)

Description

22 summer and 22 fall Canvas courses have been added to departments' Admin view.

Users can search directly for a course without term or course / faculty filter. Courses in Colleague are named in this format: code-number-section.term (ICP-1234-01.22FA); any part of the course title can also be used to search.

Until the first day of any term, when selecting the term filter, future terms are listed chronologically from the end of the Future Terms list (from the Filter by term drop-down).

Access:

[Dashboard (instructure.com)](#)

1.) Filter by terms, 2.) and / or filter by Course or Faculty, 3.) directly search for a course.
